

Rainout Information

The City of Westlake Recreation Department will update whether the fields are closed due to poor field condition or by weather condition by 4:30 pm on your game days.

You can check field status by calling the Westlake Recreation Rain Out Hot Line **440-808-5710**.

If your game field is closed for play, and a game has been cancelled, DO NOT attempt to play or practice on the fields.

If your game field is open, you should head to the fields for your game as scheduled. Umpires and coaches at the field will make final determination if a field is playable and if weather is permitting the start of the game. If the umpires cancel the game due to poor field conditions or bad weather, DO NOT attempt to play or practice on the fields.

NOTICE: *If the WBL gains new information after 4:30 pm that a field is not playable either due to weather or civil authority; we will update the HOME PAGE and our face book page of our website and notify the affected league commissioners and coaches thru the mobile app.*

Absent direct information that your game field is closed or not playable, you should arrive at your field ready to play. If your team does not have enough players at the start of the game, your team will forfeit that game.
